## *Morley seals NSW FFord title*

**DESPITE** an uncharacteristic off in the final race, Ben Morley sealed the 2006 NSW Formula Ford 1600 Championship in the penultimate round at Wakefield Park two weeks ago.

With wins in the opening two races, the Spectrum pilot put the title beyond the reach of his rivals, before spinning out of the final race. He had earlier been passed by Kyle Wood (Van Dieman) and Leigh Burges (Van Dieman), the pair eventually finishing first and second. It was Wood's first Formula Ford

race win, after finishing second to Morley in the opening two races.

Morley's Trophy race spin allowed Andrew Taite (Mygale) to move up to third place, ahead of Nick Lowe (Spectrum), Glenn Welch (Mygale) and Victorian series regular Nick Lacey (Van Dieman).

Lowe moves back up into second place on the series standings, after a troublesome weekend for CAMS Rising Star Kristian Lindbom (Spectrum).
